

Irresistible Attraction **ColorWorks®**

Infinite possibilities for personal care and cosmetics packaging can be realized with Clariant's extraordinary offering of global resources. Our technically advanced color systems let you create packaging with irresistible visual and sensual appeal.

Rich bronzes and golds. Translucent electrics. Velvety anodized pastels. Iridescent wet tropical colors. At Clariant's ColorWorks® Packaging Group, we are constantly developing exciting new looks in advance of demand, across the full range of packaging resins and molded parts.

To learn how Clariant's ColorWorks team can benefit you, please call us today.

Exactly your chemistry.
