

Masterbatches

*Can you catch
a dream?*

Exactly your chemistry.

ColorWorks® A fresh approach to color solutions.

Be daring. Use all your senses. Reach beyond anything that's been done before. Achieve the look and feeling you want. ColorWorks consumer packaging group can turn your imaginative visions into realities. We'll show you how to make color part of the initial design stage to create a new sensory experience. And reap multiple rewards. Quickly evaluate color, texture, and performance. Get to market faster. Attain global consistency across resins and processes. Control brand identity, worldwide. Explore the possibilities at a ColorWorks Center near you. www.clariant.masterbatches.com
